AGREEMENT
BETWEEN
THE CITY OF NORTHAMPTON, MASSACHUSETTS
AND
NEW ENGLAND POLICE BENEVOLENT ASSOCIATION
JULY 1, 2016 - JUNE 30, 2019

This Agreement entered into by and between the City of Northampton, Massachusetts, hereinafter referred to as the City, and the New England Police Benevolent Association, Local 186, has as its purpose, the promotion of an equitable and peaceful procedure for the resolution of differences arising between them concerning the terms of this Agreement, and to set forth herein the basic Agreement covering rates of pay, hours of work, and other conditions of employment to be observed between the parties hereto. Wherever the term "he" is used, it shall include both male and female.

PREAMBLE

It is understood and agreed by all parties to this Agreement that in order to settle all disputes that may arise during the life of this contract any matter in dispute that cannot be promptly adjusted or settled between the parties involved, shall, without unnecessary delay, be settled in accordance with the grievance procedures as set forth in Article 5.

ARTICLE 1.
RECOGNITION

1.01. The City recognizes the Union as the sole and exclusive bargaining agent for the purpose of collective bargaining as to salaries, wages, hours and other conditions of employment for all full-time members of the Police Department of the rank of Police Officer, but to exclude all civilian employees and all superior officers of the rank of Sergeant and above.

ARTICLE 2.
UNION REPRESENTATION

2.01. The Union agrees that it shall act as the exclusive bargaining agent for all employees covered by this Agreement and shall act, represent and negotiate agreements and bargain collectively for all employees within the bargaining unit.

ARTICLE 3.
MANAGEMENT RIGHTS

3.01. Nothing in this Agreement shall limit the City in the exercise of its functions of management and in the direction and supervision of the City's business. This includes, but is not limited to the right to: add or eliminate divisions; require and assign overtime; increase or decrease the number of jobs; change process; assign work and work to be performed; schedule shifts and hours to work and lunch or break periods; hire; suspend; demote, discipline or discharge; transfer or promote; layoff because of lack of work or other legitimate reasons; establish rules, regulations, job descriptions, policies and procedures; conduct orderly operations; establish new jobs; abolish and change existing jobs; determine where, when, how and by whom work will be done; determine standards of proficiency in police skills and physical fitness standards; except where any such rights are especially modified or abridged by terms of this Agreement.

Unless an express, specific provision of this Agreement clearly provides otherwise, the City, acting through its Mayor, Police Chief or other appropriate officials as may be authorized to act on their behalf, retains all the rights and prerogatives it had prior to the signing of this Agreement either by law, custom, practice, usage or precedent to manage and control the Police Department.

By way of example but not limitation, management retains the following rights:

- To determine the mission, budget and policy of the Department.
- To determine the organization of the Department, the number of employees, the work functions, and the technology of performing them;
- To determine the numbers, types, and grades of positions of employees assigned to an organizational unit, work project, or to any location, task, vehicle, building, station, or facility;
- To determine the methods, means and personnel by which the Department's operations are to be carried;
- To manage and direct employees of the Department;
- To maintain and improve orderly procedures and the efficiency of operations;
- To hire, promote and assign employees;
- To transfer, temporarily reassign, or detail employees to other shifts or other duties;
- To determine the equipment to be used and the uniforms to be worn in the performance of duty;
- To determine the policies affecting the hiring, promotion, and retention of employees;

- To establish qualifications for ability to perform work in classes and/or ratings, including physical, intellectual and mental health qualifications;
- To lay off employees in the event of lack of work or funds or under conditions where management believes that continuation of such work would be less efficient, less productive, or less economical;
- To establish or modify work schedules and the number and selection of employees to be assigned;
- To take whatever actions may be necessary to carry out its responsibilities in situations of emergency;
- To enforce existing rules and regulations for the governance of the Department and to add to or modify such regulations as it deems appropriate;
- To suspend, demote, discharge, or take other disciplinary action against employees for just cause, and to determine its internal security practices.

Management also reserves the right to decide whether, when and how to exercise its prerogatives, whether or not enumerated in this Agreement. Accordingly, the failure to exercise any right shall not be deemed a waiver.

The parties agree that each side had a full opportunity during the course of negotiations to bargain over any and all mandatory bargaining subjects, whether or not included in this Agreement.

The failure or omission of the parties to outline or delineate in this contract responsibilities and obligations of employees is not to be relied upon the latter as evidence of the fact that such obligations or responsibilities do not exist.

ARTICLE 4.

NONDISCRIMINATION

4.01. The parties to this Agreement agree that they shall not discriminate against any person because of race, creed, color, sex, age, national origin, or sexual orientation and that all persons shall receive the full protection of the Laws of the Commonwealth of Massachusetts and the United States.

ARTICLE 5.

GRIEVANCE AND ARBITRATION PROCEDURE

5.01. Any grievance or dispute which may arise between the City and employee or the Union regarding the interpretation or application of any provisions of this Agreement shall be settled according to the

procedures set forth in this article. Grievance procedures for letters of reprimands shall progress up to and including Step 2. However, no grievance shall be initiated or entertained by the parties concerning questions of the general salary schedule.

Step 1:

The Union steward and/or representative, with or without the aggrieved employee will reduce the complaint or dispute to writing and submit it to the Chief, or his designee, within fifteen (15) calendar days (weekends/holidays excluded) after the event giving rise to the complaint, or his knowledge of its occurrence. The grievance shall set forth the nature of the grievance, specify the section(s) of the Agreement alleged to have been violated, what relief is sought, and shall be signed by a Union official and/or by the Employee initiating the grievance.

A conference between the parties shall be held within five (5) calendar days excluding weekends and holidays following the date the formal grievance was presented. The Chief (or his designee) shall give his decision in writing to the Union within seven (7) calendar days (weekends/holidays excluded) following the conference.

Step 2:

If the grievance still remains unadjusted, it may be appealed in writing to the Human Resources Director, or his designee, within seven (7) calendar days (weekends/holidays excluded) after the response of the Chief of Police (or his designee) was due. The Director, or his designee, may hold a hearing within fourteen (14) days (weekends/holidays excluded) should he/she deem additional information be warranted. In any case, the Director shall render a decision in writing within 15 days (weekend/holidays excluded) of either receipt of the appeal or after the hearing date. The Director, or his designee, shall render his decision in writing within fifteen (15) calendar days (weekends/holidays excluded) after the hearing.

Any agreement reached between the City and the Union at any step of the grievance procedure is binding on all parties affected.

Step 3:

If the grievance has not been satisfactorily settled after the procedures set forth have been exhausted, the Union, the City, or the employee, as the case may be, may submit the grievance to arbitration within thirty (30) calendar days (weekends/holidays excluded) after the date the final decision

in Step 2 of the Grievance Procedure is due. The party wishing to refer the matter to arbitration shall so notify the other party in writing stipulating the matter to be arbitrated and requesting arbitration. The arbitration shall be conducted by an arbitrator to be selected by the City and the Union or the employee, as the case may be, if they can mutually agree upon his selection within fifteen (15) calendar days (weekends/holidays excluded) after notice has been given. If the parties are unable to select an arbitrator who is mutually acceptable, then the grievance shall be submitted by either party to the American Arbitration Association according to its procedures. The parties hereto shall share equally in the cost of the arbitration proceeding.

The City's answer to a grievance at any step shall be given to the Union at or before the time of notification to the employee or employees affected.

All grievances shall be presented in writing through the steps of the grievance and arbitration procedure and shall state in reasonable detail the nature of the grievance and the remedy requested.

If at the end of two calendar weeks next following either the occurrence of any grievance or the date of first knowledge of its occurrence by any employee affected by it, whichever is later, the grievance shall not have been presented at Step 1 of the procedure set forth herein, the grievance shall be deemed to have been waived. Furthermore, any grievance in process under such procedure shall also be deemed to have been waived if the action required to process the said grievance to the next step in this procedure by the Union shall not have been taken within the times specified therefore above.

5.02. The arbitrator shall have the authority to settle only grievances defined herein. Any grievance appealed to an arbitrator over which he shall have no power of rule shall be referred back to the parties without decision. The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement.

5.03. If any event occurred or failed to occur prior to the effective date of this Agreement, it shall not be subject of any grievance hereunder nor shall the arbitrator have the power to make any decision concerning such a matter.

5.04. The arbitrator shall be without power to make any decision to conflict with the laws of the Commonwealth of Massachusetts or the Ordinances of the City of Northampton not pertinent to this Agreement.

5.05. The decision of the arbitrator shall be final and binding upon the parties.

5.06. In the event of a disciplinary action involving any method set forth under Ch., 31, Section 41, and subsequent to a hearing before the Appointing Authority, an employee may, within ten (10) days of the receipt of said disciplinary decision, elect to appeal said action by initiating an arbitration proceeding in accordance with Section 5.01, Step 3, above. Such appeal shall be the exclusive remedy pursuant to the provisions of General Laws, Chapter 150E, Section 8, as amended.

5.07. Any of the time limits outlined in this Article may be extended by mutual agreement.

5.08 Permanent police officer appointments after 11 NOV 2005 (effective date of civil service withdrawal [see Section 51., Removal from Civil Service]) and not grandfathered under MGL C31, shall use the arbitration procedure outlined in this article to appeal any discipline believed to be arbitrary, capricious or without just cause.

ARTICLE 6.

NO-STRIKE, NO-LOCKOUT CLAUSE

6.01. It is agreed by the parties that during the term of this Agreement there shall be no strikes, lockouts, or withholding of services as defined by G.L. C. 150 Section 9A.

ARTICLE 7.

REPRESENTATION

7.01. A written list of Union stewards and other representatives shall be furnished to the City Immediately after their designation and the Union shall notify the City of any changes.

7.02. The employees covered by this Agreement will be allowed to be represented by one Union representative from the Union and any other non-employee representing the Union.

7.03. The City agrees to pay for time spent by this employee Union representative during his regular

work hours in consulting with the Chief of Police or his designee regarding grievances. All other time spent by him in investigating grievances shall not be paid for by the City. If in the judgment of the Chief of Police, it is felt that this privilege is being abused, the Human Resources Director shall reserve the right to meet with the Union to limit the amount of time being spent in the processing of grievances.

7.04. The Union agrees to cooperate in assisting the Chief to find substitutes for the employee Union representative scheduled to be on duty at the times when meetings with representatives of the City are held.

ARTICLE 8.

DISCIPLINARY ACTION

8.01. No employee shall be removed, dismissed, discharged, suspended or disciplined except for just cause. Massachusetts General Laws, Chapter 31, Section 41, as amended, applies to all employees grandfathered as of November, 2005. Non-probationary employees hired after November 11, 2005 exclusive rights of appeal are specified in Article V's arbitration procedures.

8.02. In the event of any disciplinary action by the Police Department against any employee, the Union, if so requested by the employee, shall be notified of such action as soon as is practical thereafter, and the Union shall be given the privilege of having an official of the Union at any formal disciplinary hearing if requested by the employee.

ARTICLE 9.

FAILURE TO OBSERVE CONTRACT: NO PRECEDENT

9.01. The failure of the City or the Police Department or the Union to insist, in any one (1) or more situations, upon performance of any of the terms of provisions of this Agreement, shall not be considered a waiver or relinquishment of the right of the City or the Union to future performance of any such terms or provisions, and the obligations of the Union and the City to such future performance shall continue.

ARTICLE 10.

SEVERABILITY

10.01. Should any provision of this Agreement be found to be in violation of any Federal or state law, or Civil Service rule, by a final decree of a court of competent jurisdiction, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement. The parties will meet as soon as possible for the purpose of renegotiating the provision or provisions affected to ensure compliance with the law. Any renegotiations shall be limited in scope to the provision (s) of this Agreement found to be in violation of the law.

ARTICLE 11.
RIGHTS AND PRIVILEGES

11.01. All other benefits which are enjoyed by the employees covered by this contract are hereby protected by this Agreement. All benefits and/or rights enjoyed by the employees covered by this contract which are now governed by Municipal Ordinances or State law and which are not in conflict with this Agreement shall remain in full force and effect.

ARTICLE 12.
TOURS OF DUTY BASED ON SENIORITY

12.01. On or after October 15th of each year Chief of Police or his/her designee shall commence the hours of duty selection procedure, and establish the hours of duty (work shifts) for each officer. The tours of duty selection sheets(s) shall contain the names of the officers selected for special assignments prior to it being given out for bid by other patrol officers. Said special assignments shall be posted for application on or about September 1' of each year. The hours of duty shall become effective at 7:00am on the Sunday of the first full calendar week of the following year. The selection sheet shall also contain the number of patrol personnel assigned to each shift and the color group (days off) for each personnel slot on the shifts. Hours of duty shall be selected by seniority.

Once the selection process begins for each shift, an officer shall once notified, be given a maximum of twenty-four (24) hours within which to select hours of duty and the entire selection process for all patrol officers shall be completed no later than December 15th.

Vacation leave as set forth in Section 22.01 shall be selected at the same time, and within the same twenty-four (24) hour period during which the officer selects his/her hours of duty.

The Union shall monitor and encourage compliance with the signing requirements and for insuring that all tours and vacations are signed in accordance with the provisions of this section.

12.02. The Chief of Police or his designee shall have the right to assign personnel to the individual beats. Assignments made under this section will not be subject to the grievance procedure.

12.03. After the shifts have been established, the full-time police officers shall select their regularly assigned shifts in order of seniority in the department/bureau in which they work, (e.g. detective bureau, bike patrol, etc.).

12.04. Seniority among the full-time police officers is to be determined by continuous length of time served as a full-time police officer in the Police Department.

12.05. If an opening occurs on a shift, the full-time police officers' right of selection as above ordained, and in the same order of priority, shall be reserved to them.

12.06. A shift may be opened as a result of expansion of the police force or when a permanent vacancy occurs as a result of promotion, retirement, resignation or death. The vacant shift shall then be available for selection by full-time police officers who follow the seniority status of the police officer vacating, provided that there does not exist an acute shortage of replacement police officers in the department, and except during the months of May through September.

12.07. When existing or experimental special assignments become available any full-time police officer shall have the right to apply. The Chief shall have the option of selecting an officer(s), who, in his judgment, is best qualified for the position, regardless of seniority.

12.08. Any selection made under Section 12.07 will not be subject to the grievance procedure outlined in Article 5.

12.09. Notwithstanding the provisions of Section 12.03, the Chief of Police or his designee may change

the shift of a police officer to another shift if in his judgment it is in the best interests of the City, Police Department, or just cause to do so.

If the police officer affected believes the change is unjust, he may request a hearing before a panel consisting of the Chief or his designee and the Union President or his designee. The Union Attorney may attend if so requested by the police officer.

12.10. The unanimous decision of the two members of the panel shall be final and binding on all parties. In the event of a tie, the officer may appeal to the Human Resources Director who, acting as a member of the panel, will make the decision or he/she may pursue his/her case through the grievance procedure, but may not do both.

12.11. If the officer opts for the hearing before the Director, the decision shall be final and binding on all parties. Any decision made under the provisions of this paragraph will not be subject to the grievance procedure outlined in Article 5.

12.12. A request for a hearing under the provisions of this paragraph must be made in writing within fifteen (15) calendar days that the police officer was informed of the change of his shift. Such hearing will be held promptly but no later than fifteen (15) calendar days from the date of receipt of the request. A written decision will be rendered within ten (10) calendar days. An appeal made under this article will not stay the decision of the Chief to change the shift.

ARTICLE 13.

HOURS OF WORK

13.01. The regular assignment for full-time members of the Northampton Police Department shall be for four consecutive eight hour days followed by two consecutive days off.

13.02. For administrative and special assignment purposes the Chief of Police may assign certain police officers to a five day, eight hour per day work week followed by two consecutive days off, but such assignments shall not jeopardize the intent to operate the Department of the basic "four-two" work week described above.

Police officers assigned a 5-2 work week will be entitled to six (6) compensatory days per fiscal

year to be accumulated on a prorated basis. If these extra days are not used by the end of the fiscal year, the officers will be paid at straight time for them. Officers assigned to the 5-2 workweek will normally not be assigned to work on Saturdays, Sundays and Holidays listed in Article 21, Section 21.01, while working their special assignments.

13.03. When changing from Eastern Standard Time to Daylight Savings Time, employees working 11 p.m. to 7 a.m will be reporting off duty on Daylight Savings Time. They will be credited for working eight (8) hours, even though they only worked seven (7) hours. Employees working the 7 p.m to 3 a.m shift will report off duty on Eastern Standard Time working their regular eight (8) hour assignment.

When changing from Daylight Savings Time to Eastern Standard Time, employees working 11 p.m. to 7 a.m will be reporting off duty on Eastern Standard Time. They will be credited for working eight (8) hours even though they worked nine (9) hours. Employees working 7 p.m to 3 a.m will report off duty on Daylight Savings Time, working their regular eight (8) hour assignment.

ARTICLE 14.

INTERCHANGE OF WORK HOURS

14.01. Any member desiring a swap or substitution of hours may do so subject to the following provisions:

- A. Such swaps or substitutions do not impose overtime cost on the Department.
- B. Arrangements and approval for swaps within the payroll period may be made with the employee's immediate supervisor, provided the Chief or his designee is notified in writing.
- C. Neither the Department nor the City will be responsible for enforcing any agreements made by the employees for future repayment of said mutually agreed shift adjustment.
- D. It is understood that an employee's first responsibility is to his position with the City.
- E. Any request for a substitute during the payroll period with no pay back must be submitted to the Chief or his designee for approval at least one week in advance. The City will pay the employee who actually works the tour of duty and will not pay the employee who is absent because of the authorized substitution. An officer may not request more than thirty-two (32) hours of substitutions during the contract year.
- F. Any officer who has agreed to "swap" or "substitute" for another officer and who fails to report for duty shall be subject to disciplinary action.

G. For light duty swaps or substitutions, see Article 25.04.

14.02. The City shall not be required to pay overtime resulting from such mutually arranged changes in days off. It shall be the responsibility of the member desiring the change to provide a substitute without overtime payment.

ARTICLE 15.

OUTSIDE DETAILS

15.01. All members of the bargaining unit shall be afforded the opportunity to accept outside detail work, but there shall be no discrimination against any member who declines to work outside details on a voluntary basis. Members shall have the option of declining offered outside details. Outside details shall be distributed to all members on an equitable and fair basis. Whenever convenient, a job may be divided to help obtain coverage. If a job is divided by the Department the first four (4) hour minimum will apply only to the first officer on the job if canceled within the limits set forth in Article 15.03, Section B unless the second officer has begun the second four (4) hour tour, in which event he/she shall receive a minimum of one hour's pay. Should the second tour be extended no overtime need be paid.

15.02. The following provisions shall govern the assignment of outside paid police details to members of the bargaining unit when such work is to be paid for by another City department, an outside individual, group, corporation or organization:

- A. Such assignment shall be made by the Chief or his designated representative on a voluntary basis and shall be distributed among full-time members of the bargaining unit as evenly as possible. The Chief shall maintain a record of all such assignments which may be examined on a reasonable notice by a representative of the Union. No member of the bargaining unit or other person shall accept such assignment unless the same is made by the Chief or his designated representative.
- B. No such assignments shall be made to reserve officers unless no full-time officer has indicated availability during the time allowed for signing.
- C. Requests for outside police details received with less than twelve hours' notification to the Department will be filled as expeditiously as possible, keeping in mind the intent of the provisions of Section B above.

15.03. The outside detail rate will be equivalent to the top step Sergeant's overtime rate rounded to the nearest whole dollar. In the event the top step Sergeant's overtime rate increases and an adjustment to the detail rate is required under the terms of this paragraph, the adjusted detail rate shall take effect ninety (90) days after the increase in the Sergeant's overtime rate.

- A. In the event an off-duty police detail unexpectedly extends(i.e. it extends past what an officer bids) past eight (8) hours, the rate after the eight (8) consecutive hours shall be paid at a rate of time and one-half the foregoing rate.
- B. If the department is not notified by the contractor (or other private employer) at least three (3) hours in advance of a cancellation of an outside paid police detail, a minimum of four (4) hours' pay shall be paid to such employee.
- C. Employees performing such outside details shall be guaranteed a minimum of four (4) hours' work at the applicable rate.
- D. While engaged in outside details, the City agrees to provide an officer with a walkie-talkie if the same are available at the Police Department.
- E. The City will issue separate checks for all outside detail work.

15.04. Whenever a member of the bargaining unit is assigned to assume the duties and/or responsibilities of a Sergeant during outside details, he/she shall be compensated at the rate of pay of Sergeant for the time so served.

15.05. Any outside detail where alcoholic beverages will be served on the premises, but not in the area or room where police officers will be assigned, will require a minimum of two (2) officers, at the discretion of the Chief or his designee. In the event three or more officers are assigned to the above details, and the vendor disagrees with the number or refuses to accept the number of officers, the Chief or his designee will meet with the Union President or his designee to discuss the manpower disagreement, before the job is cancelled.

15.06. The scheduling of details will be governed by the outside detail guidelines, which are developed and updated by the Union Detail Committee and subject to the approval of the Chief.

15.07. The City agrees that, effective July 1, 1988, a special fund shall be established to pay Police

Officers for off duty detail work without waiting for receipt of payment from the person(s) requesting such private detail. The City reserves the right to establish an administrative fee not to exceed the amount authorized by State statute.

ARTICLE 16.
OVERTIME PAY

16.01. Approved overtime work for the Police Department other than extra work details as set forth in Article 15, in excess of eight hours in any one (1) day, shall be paid at the rate of time and one-half the officer's regular hourly rate of pay. A regular work week shall commence on Sunday at 7:00 a.m.

16.02. Any officer who is called in for duty after he/she has completed his/her regular tour of duty and has left the premises shall be paid a minimum of four (4) hours at time and one-half rate. The officer may be required to work the four hours.

If the officer's response is cancelled prior to reporting for duty, the officer shall be paid one (1) hour at time and one-half rate.

If an officer chooses, in lieu of reporting for duty, to perform interpretive services by telephone, he/she shall be paid a minimum of one (1) hour at a time and one-half rate. Should those services exceed the one (1) hour, he/she shall be further compensated for each fraction of an hour spent beyond the one (1) hour minimum, by receiving an additional hour pay at time and one-half.

16.03. In the event that an employee is required by the officer in charge to work in excess of eight (8) hours in one (1) day, he shall be paid one (1) hour's overtime at the rate of time and one-half for time worked in excess of one (1) half hour. This provision shall also apply to work performed over the four (4) hour minimum pay provided for under Section 2 above. At the discretion of the officer in charge the employee may be required to work the full hour for which he is being compensated.

16.04. Any officer who is called in for emergency duty between the hours of twelve (12) midnight and six (6) a.m. shall be paid at double his/her hourly rate for a minimum of four (4) hours. This means the

following:

1. If an officer who get called in between the hours of twelve (12) midnight and six(6) a.m. works any period of time between those same hours on the emergency duty and is relieved from such duty at or before 6 a.m., then the officer will be paid for a minimum of four hours or the duration of the emergency duty during the hours of twelve(12) midnight and six (6) a.m., whichever is more.
2. If an officer continues to work on such emergency duty beyond six(6) a.m. until the start of his/her regular shift, the officer will be paid double his/her hourly rate of pay, hour for hour, until the officer's regular shift starts or until the four hour minimum is satisfied, whichever is more.
3. If an officer continues to work on such emergency duty beyond six(6) a.m. and the next shift is the officer's scheduled day off, the officer will be paid double his/her hourly rate of pay, hour for hour, while the officer continues to work such emergency duty on his/her scheduled day off or until the four hour minimum is satisfied, whichever is more.
4. Emergency duty shall include, but not be limited to, cell monitor duty, photo identification, investigation, accident reconstruction, interpretive services, etc.
5. This provision does not apply to any officer who, having been on duty from three (3) p.m. to eleven (11) p.m., continues to work after eleven (11) p.m.
6. There will be no pyramiding of emergency duty pay rate and the regular rate for any officer. Any police officer who is called in for emergency duty from vacation or his/her day off shall be paid at double his/her hourly rate for a minimum of four (4) hours.

If an officer is called in between the hours of twelve (12) midnight and six (6) am for emergency duty and his/her response is cancelled prior to reporting for duty, the officer shall be paid one (1) hour at double his/her regular hourly rate.

If an officer chooses to perform interpretive services by telephone, in lieu of reporting for duty, between the hours of twelve (12) midnight and six (6) a.m., he/she shall be paid a minimum of one (1) hour at double his/her regular hourly rate. Should those services exceed the one (1) hour, he/the shall be further compensated for each fraction of an hour spent beyond the one (1) hour minimum, by receiving an additional hour's pay at double his/her hourly rate.

16.05. Any time worked in excess of an employee's normal work schedule will be paid at an overtime rate of one and one-half times an employee's hourly rate, which shall be 1/40 of the weekly pay rate, and

the holiday pay rate shall be 1/4 of the weekly pay rate.

SUB: Contract language amendment.

In reviewing the current 390 contract, I discovered the language regarding appeals of discipline for non- civil service officers was never inserted after the passage of the law.

My records indicate during the committee meetings, language was agreed to for both Art 5-08 and Art 8-01, with the effective date left blank awaiting the passage of the law. Attached is the contract language (highlighted yellow and italicized) with the date of 11 NOV 2005 (90 days after Governor's signature) of the law amendment that included patrol officers (see attached).

Please sign below as in agreement with this contract insertion, so it can be made permanent. Thank you.
